Fall, 2006

SCC Specialty 2006

A very busy and exciting event for the many people coming from coast to coast in Canada and many USA areas to exhibit their Schips, and to meet friends, both new and known to enjoy the Specialty weekend.

Thank you to the Donors to the Specialty: Carmen Hornsby, Sally & Bruce Gibbs, Bonnie Ritchie, Barb Scott, Robert & Pat Hargan, Marnie & John Layng, Jack & Joyce Bernhardt, and all those who supported in any way to the Raffle, Auction etc.

Lisa & Ziggi Krummrei of Stone Studio Skiu Inc. for the wonderful Handcrafted Soapstone with the Schipperke silhouette carved on each of the varied items awarded as unique prizes for the Specialty, and their donation of some pieces as well. Some can be viewed in the specialty photos.

Key chains with "sitting schipperke" were awarded as class prizes and thrilled the winners. Everyone attending was presented with a zipper pull Schipperke head as a memento of their attendance and support.

BBQ friday was attended by 35 people and countless Schipperkes and a Belgian Malinois. Nathalie and Pam made and awarded prizes for the Trick Schip event, as well as "Free Style" demo for our pleasure. Thanks to hosts Marnie & John Layng. Saturday evening dinner was a fun event for 29 who enjoyed the delicious meal and the lively Auction with many donated items. Marnie was the very interesting Auctioneer. We welcomed some new people both Schipperke and non Schipperke, who expressed their impressions of a very impressive event.

The Raffle was won by Barbara Robinson, Rough Collie, Chippenhook, of Prescott, ON, and was thrilled with the lovely grooming table made and a surprise donation from Dan Ramsey.

The Specialty had 59 entries, plus 14 in Sweeps and one entry in Obedience totalling 74 with other Schipperkes visitors.

Thank you Judy Halverson for getting the trophies into ring for each class and award. Thank you to Helen Young for the Sunday "Tailgate Lunch" and also to Karen and Kevin Cummings for their help.

Kathy Gaul Montgomery

For those who knew Jeri Pabst Kathy sends this news.

Some of you know Jeri Pabst has been hospitalized due to Alzheimer. Today was a very good day, Cruiser and I went to see her and we talked Schips. She wanted to know about everything, about everybody. She mentioned several of you with very fond memory's. I brought Jeri a memory book with pictures of her showing her Schips. She looked at one picture of her and Spitfire at a National. She said, "Can you believe I had to borrow Lee Ann's Jacket to take the picture" (She wasn't dressed for the ring and she wasn't going to take a picture without the proper cloths) LOL

Like I said it was a good day. I would like all of you to make it better in the days and possible years to come.

Could you all remember Jeri on your Christmas card list? Send her a picture of yourself and one of your Schips, Send her a letter. You don't have to wait for Xmas, Sign your name and send the picture for her book. Book is a Three ring binder, Please put them in plastic picture holder. Let's help Jeri to remember all her friends for as long as she can.

Her address is : Jeri Pabst

Room 118 3400 Wagner Heights Rd.

Stockton, Ca. 95209

By the way she said her phone never rings, so if you are inclined here is the number (209) 956-3444

Editor's note:

Jeri and her schip "Spitfire" were a team to watch in the Obedience ring as many of us will remember in the past. Sorry to hear of her condition.

Canine Epilepsy Research

Ned Patterson, DVM
University of Minnesota, College of Veterinary Medicine

Gary Johnson, DVM, PhD
University of Missouri, College of Veterinary Medicine

The Canine Epilepsy Project is a collaborative study into the causes of epilepsy in dogs. It is supported by grants from the AKC Canine Health Foundation (CHF), National Institutes of Health (NIH), individual breed clubs and private donations. Grants supporting this research are CHF Completed Grant #1718, CHF Completed Grant #1729, CHF Completed Grant #1845, CHF Active Grant #2252, CHF Active Grant #2304, and NIH Award #1K08NS0224501.

Our goal is to find the genes responsible for epilepsy in dogs so that wise breeding can decrease the incidence of the disease in dogs. We also hope that knowing what genes regulate epilepsy in dogs may help us better tailor our therapy to the specific cause.

The objectives of our investigations into hereditary canine epilepsy are:

1. Recruit samples from a large number of affected individuals and their immediate family members (siblings, parents, and grandparents), from many breeds of dogs.
2. Evaluate the genotype of selected families to search for linkage between DNA markers and clinical epilepsy, then use this information to identify the causative mutation or mutations.
3. Devise a DNA marker test that detects and distinguishes normal and mutant (epilepsy-causing) alleles, and make this test available to dog breeders so that they can produce epilepsy-free dogs.

If you have an epileptic dog, you can supply samples and information for the project.

Participation by the owners of affected dogs and their relatives is essential to the success of this project. Researchers need DNA samples from dogs who have experienced seizures, and immediate relatives, both normal and affected. Specifically, we need samples from all available siblings, parents, and grandparents. If the affected dog has been bred, all offspring and mates should be sampled as well. Useful research families are explained in more detail here.

www.cvm.missouri.edu/cen/pedigrees.html

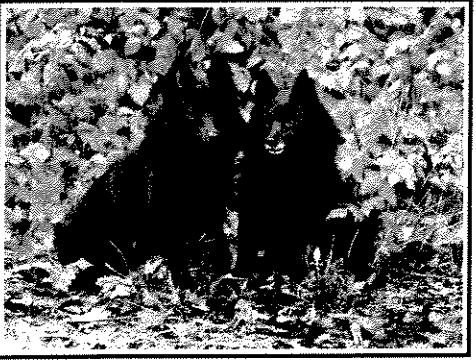

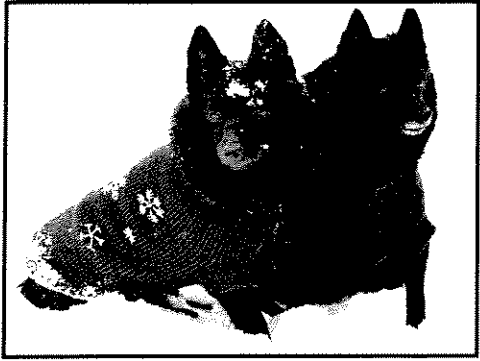

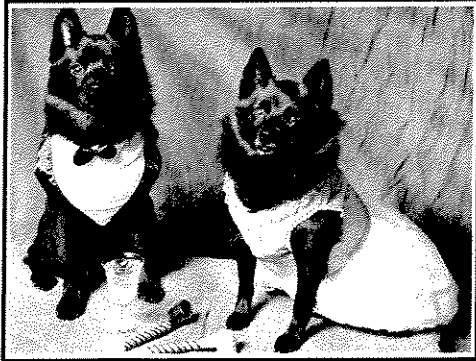

Participation in this research project is confidential - the names of individual owners or dogs will not be revealed. Data and sample collection instructions and sample submission forms are available to download here.

www.canine-epilepsy.net/forms.html

or the packet will be mailed or faxed upon a request to this e-mail. hansenl@missouri.edu

For further information regarding this Research and the Test, you may contact Diana Kinnear as she is planning on the Blood Draw at the SCC Specialty in Edmonton in June.

Our First Schipperke National

Our first trip to a Schipperke National was an on again off again roller coaster trip .First we were going then we were not. Then we were flying then were not. Then we were taking all the dogs, then we were not. Well we ended up going after all the up and downs of how, when, and who was coming with us.

Our trip started out on Monday Aug 14th heading towards Fredericton N.B. I discovered I had forgotten my camera. Our son lives in Fredericton, we I figure I would just call him stop in and pick up his camera. Well you know Murphy's Law , there was no answer so I called his cell phone and guess where he was? Back in Saint John sitting in our drive way wondering why no one was at home. So no camera for the trip. Our first stop would be in Ottawa to visit with family for a couple of days and then head down to Brockville for the shows. Well while unloading the SUV I discovered I had left my blow dryer home just great something else to add to the list.

The big day comes to leave for the shows, I'm a wreck worrying about meeting people for the first time. First schip people we meet are Jack & Joyce. Joyce gave us the grand tour of the show site and told us what would be going on in the next couple of days. Next we met Cathy Clyde and her dogs outside the building Cathy was a joy to talk to and even let me show a couple of her dogs which was an added bonus.

The first all breed show was interesting to say the least. Did I learn anything about the breed? NO! Was I surprised to see so many schips in one place? NO.... Because I was so busy with my own dogs I didn't get a chance to really sit and watch. Too busy talking to my hubby to really notice at the time just how many dogs were in the ring.

The BQ on Saturday night was fun even if we did get lost and drove about 20 miles out of the way before getting there .Of course I blame hubby for that one.

Saturday was some more of the same for me. Only thing different was our Veteran bitch was going to be shown. I knew it was going to be a very proud time for her daddy. When she enter the ring I couldn't find Rick anywhere only to be told he was up in the stands. There he was crying his eyes out while watching his Georgie Girl go around the ring. He didn't care if she won or not, it was all about his girl and watching her do her thing. It took us a couple of weeks to settle her down after being in the ring.

Of course I found myself sitting outside watching my beloved German Shepherds, and ran in to a Judge who gave us our first Best In Show with a GSD back in the 80's. It was like old home week running into him and we talked for a very long time about dogs in general.

At the SCC dinner and Auction we sat with Cathy Clyde and her friend Bill and Janice Armstrong. We didn't win anything but we got to meet a lot of faces we had heard tell of before which means more to me than winning at this point. Mind you it would have been a huge bonus to win.

All in all we had a great time on our trip. Hubby even got to go shopping for the dogs and ended up spending a huge amount on new stuff which I really didn't need but we won't tell him that eh! We arrived home on Aug 22nd just in time to be in the ring at 9 am for the all breed shows here, picking up 3 group 2s. Now we are planning our trip to the American Schipperke National being held in Maryland this coming April.

"Heaven is Just a Sin Away....."

As a Schip owner it is always a special treat to be able to attend the national speciality. I have been fortunate in the past to attend 3 specialities in Calgary (dating back to 1986, I believe), 1 in Kamloops and 1 in Vernon. Living in the extreme northwest (Yukon) my choices are somewhat limited.

This has been an extra special year as I entered and attended the SCA Specialty in Vancouver, Washington in March 2006 and the SCC Specialty in Brockville in August 2006. The added impetus to make the treks has been the addition of a new puppy from Camplaren Kennels, Jack and Joyce Bernhardt.

This new puppy, Camplaren Klondike Connection and I rendezvoused in Vancouver, BC on Dec. 5, 2005. I flew down from Yukon and he flew in from Ottawa. A few minutes into our love affair and he was aptly named 'Sinner'. Sinner flew back to Yukon with me and quickly adapted to northern life. He successfully survived his first winter in the subarctic and is no longer a cheechako, but officially a sourdough.

At 6 months and 1 week, Sinner accompanied by Ch. Ritcheiver Black Magi, Ch. Ritcheiver Black Widow, CGN, Ch Ritcheiver Warrior Princess, CGN and Ch. Bullensteins Highway Chopper, CD, TT, CGN (token Rott) flew from Whitehorse to Vancouver, BC and then drove from Vancouver, BC to Vancouver, Washington, to participate in the American specialty held at the Red Lion Inn on the river border between Oregon and Washington. All the Schips were entered, Magic in 10 – 12 veteran, Sting in 8 – 10 veteran, Zena in Open, and Sinner in Junior Puppy. Zena was progeny for Dianne Kinnear's Trooper. All the dogs had placings and we came home with some lovely prizes including pictures and a clock. The Specialty was well organized, beautifully presented and included a judges workshop on Schipperkes open to all participants and Breeding, Reproduction information sessions presented by Myrna Harris.

Sinner's next jaunt was in the opposite direction, north to Fairbanks. A small convoy of Yukon Kennel Club members drove the 1000 km to Fairbanks for their May show. Zena (Ch. Ritcheiver Warrior Princess) qualified in all 4 trials for her Am. CD (2nd highest in the final trial) Sinner won his first American point over a special (the only other Schip).

June followed with the Yukon Kennel Club show and Sinner took 4 BPIS. Zena qualified 2 trials for her Can. CD. She was sick for the 3rd and I missed the 4th due to conflicts.

August was our frosting on the cake with a trip to Brockville, Ontario and the TIKO Show and Canadian SCC Specialty. Jack and Joyce Bernhardt graciously offered their guest house, (school portable), as accommodation for Sinner and I.

After a very long trip (Whitehorse to Vancouver to Toronto to Ottawa), Sinner and I arrived in Ottawa late Wednesday evening. Jack and Joyce kindly drove to Ottawa to pick us up at the airport. Although we have spoken many times on the phone and through email, this was the first face to face meeting with Sinner's breeders.

The TIKO and the SCC was held at the Brockville Civic Centre. This great site included 7 rings. Indoors 2 confirmation, 2 obedience, separate air conditioned grooming. Outdoors 3 rings, shaded and non-shaded RV parking and agility beside the Centre with easy access. In addition to the Schip specialty, there was a Nova Scotia Duck Tolling Retriever Specialty, two Dachshund Boosters, 3 All Breed Shows, 4 Obedience Trials and an Agility trial.

By this time, Sinner was a Senior Puppy and I wanted to see his parents and relatives. We didn't get to see mom but did get to meet his dad (Ch. Camplaren Fielder's Choice"(Chance, half brother Jordan and grandma "Boni", Am Can Ch. Camplaren's Carbon Copy.

The weekend of Schip activities included a barbeque at Marnie and John Layng's home with entertainment provided by the Schips, including singing, dancing and trick performances by a number of engaging black devils.

Saturday evening included a banquet and a live Auction at The Country Club. Food was delicious food. The auction, talentedly handled by Marnie, provided laughs and a quite few dollars for the Club. Sunday the a free tailgate lunch was appreciated by hungry Schip owners and exhibitors.

Sinner did not make any headlines in the show ring however we did get special mention in the local newspaper for coming the furthest distance. Sinner and I met many wonderful and interesting Schip owners and purchased a number of books to take back to the Yukon.

The weather was great, Jack, Joyce and family, Stephen and two sons worked tirelessly over the weekend, setting up, taking down and all the necessary chores in between. The Specialty was well attended by American and Canadian Schips. Classes included several brace entries and Joyce bravely showed a team of 4 Schipperkes.

Thank you to everyone from Sinner and myself for a wonderful experience!

NEWSLETTER FROM JOHNS HOPKINS

Johns Hopkins has recently sent this out in their newsletters...well worth noting... This information is being circulated at Walter Reed Army Medical Center.

Dioxin Carcinogens causes cancer. Especially breast cancer. Don't freeze your plastic water bottles with water as this also releases dioxin in the plastic. Dr.Edward Fujimoto from Castle hospital was on a TV program explaining this health hazard. He is the manager of the Wellness Program at the hospital. He was talking about dioxin and how bad they are for us.

He said that we should not be heating our food in the microwave using plastic containers. This applies to foods that contain fat. He said that the combination of fat, high heat and plastics releases dioxin into the food and ultimately into the cells of the body.

Dioxin are carcinogens and highly toxic to the cells of our bodies.Instead, he recommends using glass, Corning Ware, or ceramic containers for heating food. You get the same results without the dioxin. So such things as TV dinners, instant ramen and soups, etc., should be removed from the container and heated in something else. Paper isn't bad but you don't know what is in the paper. Just safer to use tempered glass, Corning Ware, etc. He said we might remember when some of the fast food restaurants moved away from the foam containers to paper.

The dioxin problem is one of the reasons. To add to this: Saran wrap placed over foods as they are nuked, with the high heat, actually drips poisonous toxins into the food, use paper towels.
Pass this on to your family & friends & those that are important in you life.
